Fischer Porter & Thomas' Response to COVID-19

To Our Valued Clients & Colleagues,

We are reaching out to you to let you know that the Fischer Porter & Thomas team is facing the complications of the COVID-19 outbreak straight on. All Attorneys and staff are working remotely to serve our clients needs to perform necessary representational activities with respect to pending litigations and transactions, as well as all other matters and concerns.

We have implemented a program to mitigate the potential effects of the health crisis, helping to ensure the well-being of our employees, their families, and our clients. Our plan ensures the continuity, integrity and high level of legal service that our firm has provided in the last 25 years to our clients.

At all times, all attorneys and staff will be available by telephone and email. If you would like to conduct a phone/video conference, we can arrange that. If you need to have an in-person meeting suitable arrangements will be made to accommodate that request. Attached hereto is a Directory for all attorneys and staff. In the event you have an emergency, you may call Scott Porter on his cell (201) 615-4492.

We understand the concerns and continue to do all that we can to support you and our entire community during this challenging time.

Sincerely,

A handwritten signature in black ink, appearing to read 'A. L. Porter, Jr.', with a long horizontal flourish extending to the right.
